

COURSE CATALOG - IADC RigPass

Topic	Sub-topics
General Safety Part 1	Principles
General Safety Part 1	Alcohol and Drug Policies
General Safety Part 1	Alcohol and Drug Policies
General Safety Part 1	Firearms, Weapons and Other Prohibited Items
General Safety Part 1	Personal Conduct
General Safety Part 1	General Worksite Safety
General Safety Part 2	Manual Hand Tool and Power Hand Tool Safety
General Safety Part 2	Housekeeping
General Safety Part 2	Walking Working Surfaces
General Safety Part 2	Reporting and Investigating Incidents
General Safety Part 2	Land Transportation
Personal Protective Equipment (PPE)	PPE Overview
Personal Protective Equipment (PPE)	Determining What PPE Is Needed
Personal Protective Equipment (PPE)	Head Protection
Personal Protective Equipment (PPE)	Face and Eye Protection
Personal Protective Equipment (PPE)	Hearing Protection
Personal Protective Equipment (PPE)	Foot Protection
Personal Protective Equipment (PPE)	Hand Protection
Personal Protective Equipment (PPE)	Respiratory Protection
Personal Protective Equipment (PPE)	Fall Protection
Personal Protective Equipment (PPE)	Other PPE
Hazard Communication and Materials Handling	Types of Hazards

Hazard Communication and Materials Handling	Transportation of Hazardous Materials
Hazard Communication and Materials Handling	Uncontrolled/Unauthorized Release of Hazardous Materials
Occupational Health	Overview
Occupational Health	Employee's Roles and Responsibilities in Dealing with Industrial Hygiene Hazards
Occupational Health	Potential Hazards at the Work Site
Specialized Work Procedures	Hazardous Energy
Specialized Work Procedures	Lock-out/Tag-out
Specialized Work Procedures	Work Permits
Specialized Work Procedures	Confined Space
Specialized Work Procedures	Working at Heights
Specialized Work Procedures	Hoisting and Lifting
Fire Safety	Overview of Fire Protection, Prevention, and Detection
Fire Safety	Employee Responsibilities
Materials Handling	Mechanical Equipment
Materials Handling	Manual Material Handling
Health & First Aid	General
Health & First Aid	Blood-borne Pathogens
Health & First Aid	Health & Adverse Weather
Health & First Aid	Health & Wildlife, Insects, & Snakes
Rig/Platform Environment	Platform or Location Arrival Procedures
Rig/Platform Environment	Home Away From Home
Rig/Platform Environment	Understand the Site-specific Orientation
Rig/Platform Environment	Simultaneous Operations
Rig/Platform Environment	Security Awareness
Emergency Response	Planning for Emergencies
Emergency Response	When to Evacuate
Emergency Response	Alarms
Wellsite Environmental Protection	Overview
Wellsite Environmental Protection	Waste Management

Wellsite Environmental Protection	Leaks, Spills, Releases
Wellsite Environmental Protection	Overview of HAZWOPER
Offshore Endorsement	Arrival at Shorebase
Offshore Endorsement	Helicopter Transportation
Offshore Endorsement	Boat Transportation
Offshore Endorsement	Swing Ropes
Offshore Endorsement	Personnel Baskets
Offshore Endorsement	Arrival at the Rig/Worksite
Offshore Endorsement	Personal Flotation Devices & Donning PFD
Offshore Endorsement	Survival Craft
Offshore Endorsement	Standby Rescue Vessel
Offshore Endorsement	Marine Debris Identification
Offshore Endorsement	Marine Debris Reporting
SEMS	SEMS II
Land Endorsement	Regulatory Requirements
Land Endorsement	Role of Site Worker, Competent Person
Land Endorsement	Hazards Related to Excavation/Trenching Work
Land Endorsement	Hazards Relating to Excavation/Trenching Work. Identification of underground hazards
Land Endorsement	Methods of Protection from Excavation Hazards
Land Endorsement	Use of Personal Protective Equipment
Land Endorsement	Emergency and Non-entry Rescue Procedures
Land Endorsement	Pits and Ponds Types
Land Endorsement	Pits and Ponds Purpose
Land Endorsement	Pits and Ponds: Safety Precautions When Working Around
Conclusion	Conclusion
